

CoE Faculty and Professional Staff,

After receiving the recommendation from the search committee regarding the search for a new division executive director (DED), along with input received from other stakeholders, I have decided to not fill the position at this time. As indicated previously, Dr. Mike Pullis will serve as the interim DED when Dr. John Wedman retires Feb. 28, 2013. He will continue in that interim role until another individual assumes that role. Dr. Wedman will continue in a part-time role throughout the next year to help facilitate the transition.

I would like to thank the DED search committee for the professionalism and commitment they demonstrated to the search process. I would also like to thank the faculty, professional staff and students who participated in the search process either through small group interviews or the job talk/open forum with the candidates. I appreciated your participation, as well as the feedback you provided to the search committee.

Dan
